This year they are thinking about doing a 5K to help raise money and awareness of prostate cancer. Will come back to board when they settle on a definite date and course. We suggested chip timing for finish. Advised them we cannot provide insurance but they can obtain private insurance coverage. They are looking at holding the race at Highland Park in the Town of Union.

TCRC YOUTH TRACK CLUB: Tye & Crystal Muse are heading up the meets. Up to 60 kids attending meets on Tuesday & Thursday nights, 6:30pm at Vestal Track. Harry asked for help and advised anyone helping out needs to join USAT&F and get a background check through USAT&F. Six coaches approved right now to help out but more needed. Every child has to be a member of the USAT&F and a TCRC member to participate and that's included in the \$40. They pay \$40 regardless if being a TCRC member or not. Financial concerns:

*Who takes the \$40 each child is charged to participate? Crystal will collect the money and give it to Kevin to deposit in TCRC account.

*Where is money deposited? Kevin will keep a separate accounting of all money from Youth Track program that's deposited in TCRC account.

Mike asked that Crystal be given permission to access TCRC USAT&F management online.

TCRC TRACK MEETS: Dan checked with Vestal, Johnson City and ME and cannot hold meets at any of these schools. He received a positive response form Chenango Valley and will follow up on that with the school district.

Crystal asked if it was possible to add more events to the Wednesday night track meets. Dan agreed and will follow up with Crystal.

ONLINE REGISTRATION: Tabled to June meeting.

Meeting adjourned at 9:05.
