

**5K Road Race and 1 mile Fun Run
to Kopernik Observatory & Science Center
at Dusk (7:00 p.m.)
Saturday, September 16, 2017**

Are you up for a challenge?? This isn't your ordinary 5K!

Come be part of the first annual Kopernik *Race to the Stars* 5K road race. Run through sunset and into the dark night. The moonless sky above will reveal a beautiful Milky Way and numerous deep sky objects. It will be a great reward for completing a challenging road race!

The race will start at the intersection of West Hill Road and Glenwood Road and finish at Kopernik Observatory on Underwood Road in Vestal. This will be a great course to test your stamina with a 700 foot vertical rise.

There also will be a 1-mile family-friendly Fun Run on a relatively flat course.

After the run, have fun at an after-party with a DJ and night sky observing through Kopernik's telescopes.

**WHERE: Kopernik Observatory & Science Center, 698 Underwood Road, Vestal, NY 13850
Free transportation to the start of the race will be provided by Kopernik**

**COST: \$20 per person if registered by September 1, 2017 – includes T-shirt
\$25 per person after September 1, 2017 – T-shirt supply will be limited**

Questions: Bridget Dean at: racetothestars@kopernik.org
