2. Run or Walk 5K or 14K *ANYWHERE* between April 13 – 22!
3. [Submit your race time](#)

Malawi Children's Mission (MCM) is a non profit organization outside of Blantyre Malawi. This small but powerful MCM team is made up of dedicated and caring people, whose mission is to provide orphans the necessary resources needed to thrive and the opportunity to be who they were meant to be.

- Nutrition - Each child at MCM receives a nutritious meal each day with the appropriate proteins and nutrients to aid in their physical and mental development.
- Education - MCM provides educational and tutoring programs to assist orphans of all ages to excel in their studies.
- Healthcare - Regular health assessments prevent illness and are critical to detection of diseases like malaria and HIV AIDs.
- Emotional Support - The emotional support and loving care shown by MCM staff and volunteers helps children know they are valued.

As a member of the 2017 Binghamton University Service Learning Team, we were fortunate to meet and work with faculty, staff and students at MCM. Because of MCM, the lives of the children have been greatly changed, and they are given opportunities, which can enable them to improve themselves, but even more important, to improve their community and country.

This event is sponsored by Binghamton University Student Association, It was organized by Nancy Baudendistel, graduate student at Binghamton University, CCPA and member of 2017 Binghamton University Malawi Service Team. Thank you for your participation and support of such a wonderful organization!
